

Why ChemEng

Isabelle Barr

CHEM
ENG

Why ChemEng?

Smaller class

Hands on learning

Lab work

Enjoyed 1st year module

Chem Eng

Favourite modules

Thermodynamics
Labs
Design project
Pharma

Smaller class = big
community
Good relationship with
other years
ChemEng society

Chem Eng Society

Frank Morton

Class Trips

Sports Day

Opportunities

Internship

Study Abroad

Pathway

-

Bachelors

Option for Biochemical minor

-

Masters

Includes work placement

DIAGEO

abbvie

Advice

Don't chose it just because you like chemistry

→ only 2 chemistry modules in 2nd year

Get involved with class activities

Ask for help!
