

Sarah Ward (UPO, Seville, 2015-6)

I went to UPO in Sevilla where I had a fantastic year. I had essentially no Spanish before I went over but the university provided a free beginner's course which was very helpful. So obviously I learnt a lot of Spanish and History but I also discovered a great deal about Andalusia and Spain in general. There are some great Erasmus groups that organize nights out and trips around Spain all the time. Sevilla has amazing food and wine and the architecture is amazing. Sevilla also has a lot of unique culture, Feria (de Abril) being a personal highlight. I am so glad I got to spend a year in Sevilla and would recommend it 100%.
