

UCD School of Medicine
Scoil an Leighis UCD

Cut from a different cloth

There are fine lines in surgery where life and death decisions have to be made at the end of a scalpel. The James B. Coakley Medal for Dissection in honour of a former Professor of Anatomy at UCD is awarded for the best dissection of a given body part.

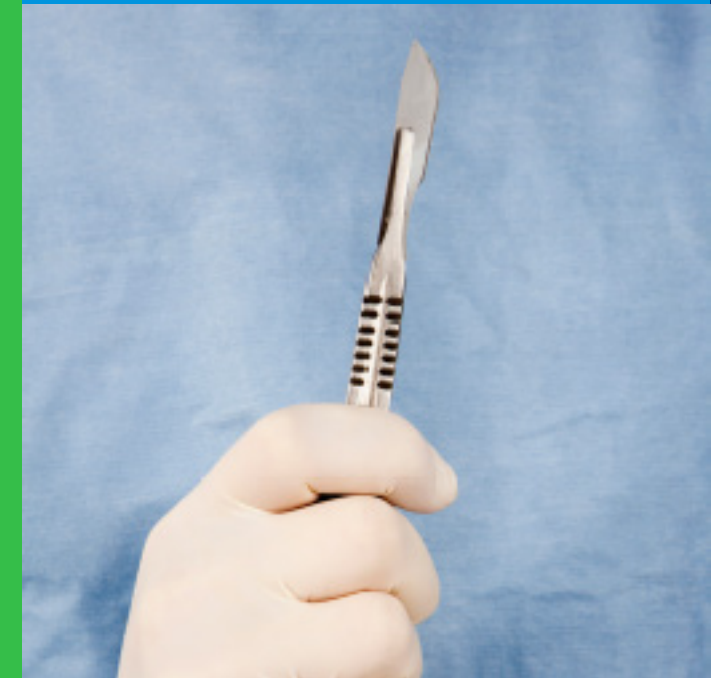

James B. Coakley was Professor of Anatomy at University College Dublin from 1962 – 1988. This is a prestigious award that will provide a small select number of students a privileged opportunity to work with a precious educational resource. Completed application forms should be returned to Mr. Steven Masterton, Room C209 UCD Health Sciences Centre. Only one entry per candidate is permitted. Dissections will be undertaken from Monday 3rd July (start date) to Thursday 10th August, 2023 (end date).
