UCD Quality Office
Periodic Quality Review

Summary of supports for Periodic Quality Review provided by:
UCD Library

Assisting Schools with Preparation for Quality Review

The Library can supply information to help identify areas where Library supports are a strength for a School, or gaps which may have an impact on the School in its activities. We can provide data from these broad areas of activity:

Communication & Collaboration
- Communication channels and arrangements between the School and the Library
- Significant and current collaborations

Enhancing the Student Experience
- Use of Library spaces including group study rooms
- Lending - books and laptops use
- Information queries and one-to-one supports
- Technology provision and service enhancements
- Opening and service hours

Collections
- Report on size, strength and usage of print collections
- Reading List Collections supporting the discipline
- Relevant Journals and Databases
- Supports for new Programmes
- Cultural Heritage Collections, Special Collections, UCD Digital Library, GIS & Maps
- Research Repository Collection data on size and usage

Teaching & Learning
- Programme supports for students i.e. orientation, instruction, workshops / lectures / teaching labs
- E-Learning Objects - online learning aids tutorials & guides
- Student feedback

Research Support
- With UCD Research, reports on research outputs and impact including publication and citation counts, and data on collaborations: https://intranet.ucd.ie/research/qualityreview/index.html
- Workshops and supports for Researchers
- Open Access Publishing

Meeting the Review Group
- Academic Engagement Librarian to meet with Review Panel
- Visits and tours of Library facilities by the Review Panel

UCD InfoHub
My services & information portal

Available Reports:
- Research Statement for UCD
- Research Statement for Schools
