### Registry Update - March 2025

**To:** *Head of School, Deans of Programmes, School Head Teaching and Learning, VPs for Teaching and Learning, School Managers, School Administrators (students), College and School Office Directors, Graduate School Directors, Programme Managers, Programme and Operations Managers, College Administrator - Programmes and Students, Programme Office Administrators, Marketing Managers, Academic Affairs Staff*

Dear :FORENAME,

I would like to draw your attention to a recently published article on [Workvivo](#) that highlights some key activities and developments within UCD Registry over the past few months. Additionally, a [newly published presentation](#) provides insights into upcoming Registry activities and outlines the supports available to you in the coming months.

To complement these publications, this [infographic](#) summarises the initiatives undertaken by Registry as part of our three-year Roadmap, aligned with the UCD Strategy *Rising to the Future*. Building on these achievements, UCD Registry is now focusing on aligning its activities with the current UCD Strategy *Breaking Boundaries*.

I welcome your feedback on Registry's services and encourage you to share your thoughts through our [feedback form](#).

Kind regards,

Kevin
