Dear Colleagues,

The email sent regarding the Summer exam timetable draft had two typos in it, the year quoted in the dates for the exam sessions noted the year 2024. The dates were correct but the year was incorrect. Apologies for this. Please see the correct dates, and year below:

Kind regards,
Exam Logistics

Exam Details in the Draft Timetable

The draft timetable includes exams scheduled to take place across two daily slots during the following periods:

Undergraduate exams: 28 July – 1 August 2025

Graduate taught exams: 16 – 23 August 2025

(Some graduate taught exams may be scheduled during the earlier Undergraduate exam session if requested by Schools.)

Scheduled student start times:

Morning: 9.30am

Afternoon: 1.00pm

Students will be advised that additional assessments (e.g., practicals, open-book or take-away exams) may take place during this period. In these cases, the Module Coordinator should confirm exact dates or deadlines directly with students.

For online and classroom exams:

Exams must finish within the 3-hour block to prevent scheduling clashes. These exams are organised locally. Guidance is available on the [Assessment website](#).
