Dear colleague,

I am delighted to let you know that one of the highlights of the UCD calendar, the UCD Undergraduate Open Day, takes place this week. The details are as follows:

Date: Saturday, 8 November 2025

Time: 10am to 4pm

Venue: O'Reilly Hall

Event website: ucdopenday.ie

The event offers prospective students and their families a unique opportunity to experience life on campus and meet the UCD community. With over 130 talks, over 60 information stands, and student ambassador-led tours, the day promises to be an inspiring showcase of all UCD has to offer.

Please share the Open Day invitation with prospective students and their families - personal recommendations make a real difference. Further details, including the full programme of talks and campus activities, are available via the [Open Day website](https://ucdopenday.ie) and the [UCD Open Day app](#).

Feel free to drop into O'Reilly Hall at any stage throughout the day to see what is going on and to support your colleagues who are working on stands and giving presentations.

Finally, I would also like to draw your attention to a recently published article on [Workvivo](#) that details some key activities and developments within UCD Registry during the Autumn Trimester.

There are many ways by which you can contact us here in UCD Registry. Full details can be found on the [Registry contact web page](#).

Kind regards,

Kind regards,
