

Assigning a Project Financial Signatory (PFSIGN)

EU Horizon Europe – Assigning UCD PFSIGN (Project Financial Signatory)

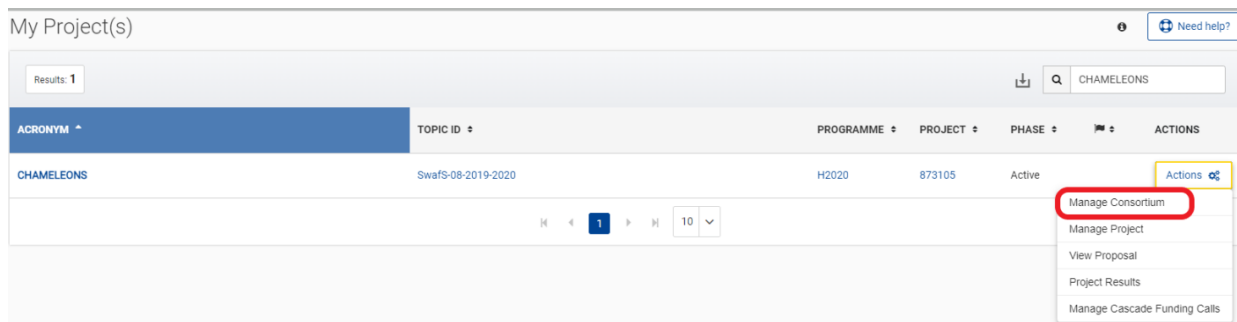

At the initiation of the Grant Preparation stage of your project, you need to allow access to your project on the EU Participants Portal, to UCD central support units. To do this, you assign **Richael Leahy** on the Participants Portal as a **PFSIGN (Project Financial Signatory)**. You should proceed as follows:

1. Log into the [EUPortal](#) using your email address and password
2. Click the link on the drop-down menu entitled “My Project(s)”. You will then see the projects that you are involved in, listed in a box in the middle of the screen.

The screenshot shows the European Commission's 'Funding & tender opportunities' portal. The left-hand navigation menu includes 'Manage my area', 'My Person Profile', 'My Organisation(s)', 'Grants', 'My Proposal(s)', 'My Project(s)', and 'My Formal Notification(s)'. The 'My Project(s)' item is highlighted with a red circle. The main content area features a search bar for proposals and tenders, a warning message about system maintenance on Wednesday 9th of February, and a section for 'EU Programmes' listing various funding instruments like AMIF, BMVI, CCEI, CEF, CERV, and CREA.

3. Click on the “Manage Consortium” icon for your project under the Action button, as per below:

4. Click on the “Edit Roles” button on the right-hand side and then click “Add Role” button at the bottom of the screen. Next select “Project Financial Signatory” from the drop-down menu and click the radio button beside Richard Leahy’s name. Click OK.
