Emails From UCD

The University uses email as an official means of communication with students and provides a UCD Connect email to each student for this purpose.

What you need to know

In addition to the UCD Connect email, communications will also be sent to the personal email account for all students who have provided a non-UCD Connect account.

What you need to do

Log into SISWeb and click on My Registration. Look for the My Profile link and check that your Email Preferences are up to date. If you don't want UCD to use your personal email address, you can change the setting.
